

TERMS & CONDITIONS

MINIMUM ORDER: Minimum order is \$25.00. Orders for less than \$25.00 will be invoiced at the minimum charge.

TERMS: Net 30 days from date of invoice. TAB Reserves the right to correct any typographical errors.

FREIGHT: Freight charges are for shipment from factory to the receiving dock at the destination. Inside delivery may carry additional charges.

Purchaser takes title of the merchandise on shipment from factory and remains responsible for filing any freight claims.

DESTINATION INSPECTION: Merchandise should be fully inspected upon receipt for any evidence of damage or shortage before acceptance. If shortage or damage occurs, refuse acceptance until a transportation agent endorses extent of damage or shortage. Transportation agent notification must be made within 10 days of delivery to your premises. Call your TAB Representative and notify him/her of the damage or shortage.

If external appearance has not indicated damage, but upon opening, contents are found damaged, unpacking should be stopped and an inspector of the delivering carrier immediately called. All cartons should be saved for inspection. The inspector should indicate on the delivery receipt the exact condition of the contents. Notify your TAB Representative of the damage.

Your cooperation in damaged shipments will help us to promptly replace the damaged product, and protect our mutual rights against the transportation carrier.

RETURNS

STANDARD PRODUCTS: TAB will issue an authorization to return and replace incorrectly produced/manufactured product, at no additional cost to the customer if it is a TAB error. If it is a customer error, we will authorize the return of product, and charge a 20% restocking fee. Requires preauthorization from Customer Service.

SPECIALS: MADE-TO-ORDER PRODUCTS: TAB will issue an authorization to return and replace the incorrect product, at no additional cost to the customer if it is a TAB error. If the customer makes the error, TAB Products will not authorize the return for custom, made-to-order products without the approval of the Director of Customer Service.

CANCELLATIONS: Prior to production there is no charge for cancellation.

CHANGES: Standard product changes may be made prior to production at no charge. After production, order changes will be handled as a new standard product order.

INSTALLATION: List prices do not include installation. Contact your local TAB representative for assistance in determining charges for those items requiring inside delivery and/or installation.

REPAIRS AND ADJUSTMENTS: Claims for repairs or adjustments will not be accepted unless authorized in advance by TAB Products Co., Mayville, Wisconsin.

WARRANTY: All products are warranted to be free from manufacturing defects under normal use in their unaltered condition for a period of five (5) years parts and two (2) years labor from date of purchase.

THE TAB L&T SYSTEM

Design Features

TAB L&T systems use a unique interlock design to combine strength and rigidity for extra functional flexibility and assembly ease.

L-shaped (row ends) and T-shaped (intermediate) welded upright assemblies have double walled members with specially design keyslots. Shoulder rivets on horizontal supports

lock into the keyslots, providing a rigid framework upon which the system builds to meet your needs. You get the strength of welds with added flexibility and lower cost.

Our unique keyslot design allows fast and easy assembly of major components with no bolts, nuts or tools.
