## 3-PRONG DOCUCLIP

### **Saving filing Space has never been easier**

TAB is pleased to announce the launch of the 3-prong Docuclip, our newest accessory item. This unique plastic fastener is an alternative to 3-ring binders for active or inactive records. It can simply and effectively turn files in a 2" capacity binder! Further, they can be stored with existing file folders and in standard cabinets saving file space.

### *Benefits*

#### **Save Space**

- Takes up less filing space than traditional 3 ring binders
- Stores two inches of documents securely
- Can be easily stored with existing folders in standard letter sized cabinets

#### **Improve Retrieval Time**

- Permits pages to be removed and inserted without disturbing preceding pages
- In comparison to binders, folders can be color coded and easily identified on shelves allowing for faster retrieval

### *Features*

- Durable and long lasting
- Convenient size 1½" x 8"
- Can be factory installed on your choice of folder
- Flexible tubing allows for easy removal and insertion of documents
- Offered in minimum quantities of 100
