## TAB FORTIfile FAMILY

Environmentally friendly  
**eternafilm** coating

The most durable folder  
products available

Write on, Erase and Reuse

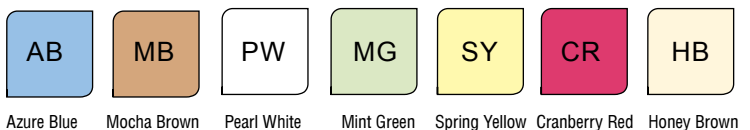

### FORTIfile™ with eternafilm™ Gets Green Recognition!

The complete family of colored file products (file folders, pressed files, pressed classification files, and expansion pockets) let you recognize files at a glance. FORTIfile folders provide the most durability for your everyday filing requirements. TAB FORTIfile folders are fully coated with eternafilm. Eternafilm is an environmentally friendly protective coating that is applied over the entire folder's outer surface, increasing the strength and rigidity of every TAB FORTIfile product.

**eternafilm** is a totally biodegradable reinforcement film, making the entire folder recyclable. **eternafilm** meets the criteria set by the Biodegradable Products Institute of America, to meet the US Standard Specifications for Compostable Plastics ASTM D-6400-99.
